LAXraising!

Once you are signed up, Komen makes it fun and easy to fundraise. Our online Participant Center makes it easy for you to track your fundraising progress and your donors, send emails asking your personal relationships for support, and personalizing your web page. Participants who personalize their web page with stories and photos tend to raise more money by creating a more emotional/personal connection with friends, families, colleagues and even people you may not know very well as they decide to join your team!

Send emails to friends, family and co-workers from your Participant Center

- Post your webpage on social media to ask friends and family to make a donation
- Ask! Ask! Ask! Ask your neighbor, dry cleaner, hairdresser, co-worker...everyone and anyone can donate

CONNECT TO FACEBOOK

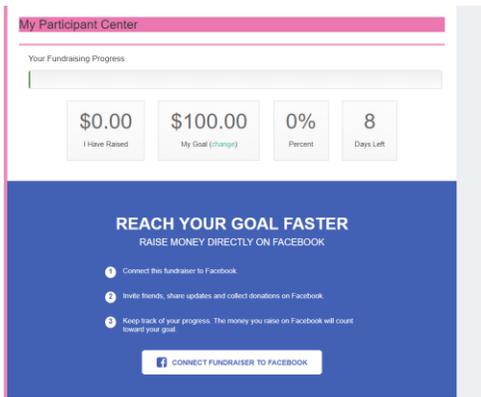

Maybe you've noticed in the last few weeks and months that more and more people are raising money on Facebook for their favorite causes.

You can connect your fundraising page for LAX for the Cure to your Facebook page to help increase donations and support more local screenings and research here in New Jersey.

The first thing you need to do is visit the LAX for the Cure website at komennorthjersey.org/lax.

Then log into your participant center and scroll down to the blue section to raise money directly on Facebook.

Click the button to connect your fundraiser to Facebook

This will open up the tab to share your story on your Facebook fundraiser page. You can change anything in the title or the story. And then click “Create Facebook Fundraiser”.

If you’re not already logged into Facebook. It will ask you to log in. and then it might ask you to select some options for making sure everything gets connected properly

Once everything is set up, the link to your Facebook fundraiser will show up on your page and a button to click to go to Facebook fundraiser

When you click that, it opens your fundraiser inside Facebook

That’s it!!

When you receive new donations, you’ll get notifications that you can reply to right inside Facebook. Plus, I’ll also get an email saying “Hey, you’ve received a donation, head on over to Facebook and say thanks. You can also write new posts to say “Please Donate” or “Thanks for Donating”

All of this is right inside Facebook, so you don’t have to worry about going back and forth and move things around. Plus all the donations you receive in Facebook will show up inside your Race LAXraiser page

That’s about it for the Facebook tutorial - I hope it helps and hope it helps bring in a lot donations for LAX for the Cure. For any questions, call the office at 908-277-2904. Thanks for LAXraising and I’ll see you at LAX!
